Promising approach of Cultural Ecology:

Promising approach of Cultural Ecology:

- Landscape: “Das Total Character einer Erdgegend“
- A von Humboldt 1806
- “The cultural landscape is fashioned from a natural landscape by a cultural group. Culture is the agent, the natural are the medium, the cultural landscape is the result“
- C. O. Sauer, 1925
- „Landscape....' is never simply a natural space, a feature of the natural environment. Every landscape is the place where we establish our own human organization of space and time“
- J. B. Jackson
- " the richness of our inscapes is preliminary to a good management of our landscape.." P. Dansereau
- 1975

Lebanon, Greece, Costa Rica, Ireland, Bulgaria, Slovakia, Denmark, Portugal

Problems of cultural adaptation in Central Europe

Hungary, Norway, Greece, Switzerland, Austria, Finland, Romania, Czech Republic, Sweden

Belgium, Netherlands, Turkey, Poland, Spain, Italy

1. The problem of energy consumption and its social and ecological consequences

United Kingdom, France, Germany
