

Our Common Present

Great expectations, projects and mistakes – efforts to understand and control nature in the past and the present

This is the sixth year of the international interdisciplinary conference, and focuses on successful and unsuccessful human interventions in nature from historical, current and future perspectives.

March 31 and April 1, 2016

Faculty of Arts, Charles University in Prague

nám. Jana Palacha 2, Prague 1, room 104 (1st floor)

The first day of the conference will be held in Czech and Slovak. Speakers from other countries will present in English on the second day of the conference.
